PROFESSIONAL SUMMARY

Proactive and detail-oriented professional interested in Virtual Assistance, Social Media Management, and Graphic Design. Experienced in content planning, content creation, with administrative support experience in client communication, documentation, and coordination. Organized, detail-oriented, and open to remote freelance or contract work.

SOCIAL MEDIA PROJECTS

The Matcha Tea Club | Mock Brand Project

- Developed a fictional matcha brand concept with a consistent visual identity for social media.
- Created a six-slide Instagram carousel featuring matcha drinks and relatable study-break content.
- Designed branded social media graphics and product mockups aligned with the brand's visual style.
- Planned content around audience interests and the brand's intended identity.

Portfolio Website & Digital Products | Freelance Design Work

- Designed and developed a personal portfolio website showcasing UI prototypes, social media content, and digital products.
- Designed an e-book and mockups along with companion study planner templates in Canva.
- Applied consistent typography, layouts, and visual elements across all projects.

PROFESSIONAL EXPERIENCE

Overseas Workers Welfare Administration (OWWA) Tuguegarao City, Cagayan

Student Intern, Administrative Support | December 2025 - April 2026

- Responded to client inquiries and followed up on training requirements to support timely service.
- Prepared, organized, and updated official documents, reports, and client records with a high level of accuracy.
- Coordinated with staff to support daily operations, trainings, orientations, and office events.
- Adapted quickly to office systems and workplace software.

TECHNICAL PROJECT

Attendance Monitoring System | BSIT Capstone, Team of 3

- Created wireframes and interactive prototypes in Figma, mapping user flows and interface layouts before development.
- Designed and developed a desktop application using C#, .NET Framework, and MySQL, covering front-end, back-end, database integration, and user interface design.

EDUCATION

Bachelor of Science in Information Technology, Major in Programming May 2026

Cagayan State University - Carig Campus, Tuguegarao City, Cagayan
